

CURRICULUM VITAE

CRAIG ROGER DUFRESNE, M.D., F.A.C.S.

Office Locations:

5530 Wisconsin Avenue
Suite #1208
Chevy Chase, Maryland 20815
Telephone - (301) 654-9151
Fax - (301) 654-9727

8501 Arlington Boulevard
Suite #420
Fairfax, VA 22031
Telephone - (703) 207-3065
Fax - (703) 207-2002

EDUCATION

HIGH SCHOOL

Worcester Academy, Worcester, Massachusetts
(1964-1969) Cum Laude Society
Richardson Medical Prize

COLLEGE

University of Vermont, Burlington, Vermont (1969-1973)
Bachelor of Arts Degree - Summa Cum Laude (1973)
Departmental Honors in Zoology (1973)
Who's Who in American Colleges and Universities (1973)
President of the Premedical and Pre dental Society (1971-1973)
Co-Chairman of the New England Regional Premedical Symposium (1972)

MEDICAL SCHOOL

College of Physicians and Surgeons
Columbia University (1973-1977)
Medical Doctorate (1977)
The Joseph Garrison Parker Award (1977)

SURGICAL TRAINING

Internship	The Johns Hopkins Hospital	July 1977 - June 1978
Junior Residency (II Year)	The Johns Hopkins Hospital	July 1978 - June 1979
Senior Residency (III Year)	The Johns Hopkins Hospital	July 1979 - June 1980
Senior Residency (IV Year)	The Johns Hopkins Hospital	July 1980 - June 1981
Senior Residency (V Year)	The Johns Hopkins Hospital	July 1981 - June 1982
Thoracic Registrar	Frenchay Hospital Bristol, England	Dec. 1980 - June 1981

PLASTIC SURGERY TRAINING

Junior Residency

New York University Medical Center,
Institute for Reconstructive Plastic Surgery July 1982 - June 1983

Senior Residency (Executive Chief Resident)

New York University Medical Center,
Institute for Reconstructive Plastic Surgery July 1983 - June 1984

Microvascular Fellowship

New York University Medical Center,
Institute for Reconstructive Plastic Surgery July 1984 - December 1984

Craniofacial Fellowship

New York University Medical Center,
Institute for Reconstructive Plastic Surgery January 1985 - June 1985

PRESENTATIONS AND EXHIBITS

1. Dufresne, C. and Norris, J.: Presentation on "Delayed Split Thickness Skin Grafts Using the Patient as Their Own Skin Bank." (Presented at the Tennessee Burn Convention, Nashville, TN, 1976.)
2. Dufresne, C. and Jeysingham, R.: Presentation of "Sarcoidosis and Achalasia." (Presented at the British Oesophageal Group Meeting, Bristol, England, 1982.)
3. Nichter, L., Morgan, R., Dufresne, C., Lambruschi, P., Edgerton, M.: "Rapid Management of Persistent Seroma by Sclerotherapy." (Presented at the Southeastern Society of Plastic and Reconstructive Surgeon, Amelia Island, Florida, May 1983 and Awarded First Prize as Best Paper.)
4. Dufresne, C.: "Reconstruction of Mandibular and Floor of Mouth Defects with the Trapezius Myocutaneous Flaps." (Presented at the New York Regional Society of Plastic Surgeons, March 1984 and Awarded prize for Best Maxillofacial Paper.)
5. Dufresne, C.: "Reconstruction of Mandibular and Floor of Mouth Defects with the Trapezius Myocutaneous and Osteomyocutaneous Flaps." (Presented at the Plastic Surgery Senior Residents Conference, San Francisco, CA, May 1984.)
6. Dufresne, C., Cutting, C., Klein, M., Valauri, F., Parker, P., Colen, S. and McCarthy, J.: "Reconstruction of Mandibular and Floor of Mouth Defects Using the Trapezius Osteomyocutaneous Flap." (Presented at the Northeastern Society of Plastic Surgeons, September 1984.)
7. Dufresne, C., Cutting, C., Klein, M., Valauri, F., Parker, P., Colen, S. and McCarthy, J.: "Reconstruction of Mandibular Defects Using the Trapezius Osteomyocutaneous Flap." (Exhibition presented at the American Society of Plastic and Reconstructive Surgeons, October 1984.) Awarded Honorable Mention.
8. Dufresne, C. Cutting, C., McCarthy, J.: "Reconstruction of Mandibular Defects." (Presented at General Surgery Grand Rounds, SUNY at Stonybrook, NY, December 1984.)
9. Dufresne, C., Jelks, G.: "Oculoplastic Surgery with Craniofacial Surgery." (Presented at Ophthalmology Grand Rounds at the Manhattan Eye, Ear, and Throat Hospital, New York, NY, May 1985.)
10. Dufresne, C., Cutting, C., McCarthy, J.: "The Use of Three-Dimensional Graphic Imaging in a Craniofacial Center." (Presented at the Plastic Surgery Grand Rounds, Montefiore Hospital, New York, June 1985.)
11. Dufresne, C., Cutting, D., Hoffman, W., McCarthy, J.: "The Use of Three-Dimensional Computer Graphics in a Craniofacial Center: Application of Custom Editing and Processing." (Presented at the First International Congress of CranioMaxillofacial Surgeons, La Napoule, France, September 1985.)
12. Dufresne, C., Cutting, C., Hoffman, W., and McCarthy, J.: "The Use of Three-Dimensional Computer Graphics in a Plastic Surgery Center." (Presented at the Meeting of the Northeastern Society of Plastic and Reconstructive Surgeons, Boston, MA, September 1985.)
13. Dufresne, C., Cutting, C., Ransohoff, J., and McCarthy, J.: "The Use of the Three-Dimensional Analysis of the Craniofacial Skeleton." (Presented at the Meeting of the XXIV Annual Kazanjian Lecture and Symposium, Institute of Reconstructive Plastic Surgery, New York, NY, October 1985.)
14. Chalif, D.J., Dufresne, C., Ransohoff, J. and McCarthy, J.: "Three-Dimensional CT Reconstruction of Intracranial Meningiomas." (Poster presentation at the American Association of Neurological Surgery [AANS] Meeting, Denver, CO, April 1986.)
15. Dufresne, C.: "Plastic and Reconstructive Surgery of the Lower Extremity." (Presented at the Regional Medical Education Conference of the American Podiatric Medical Association, Baltimore, MD, September 1986.)

PRESENTATIONS AND EXHIBITS (Continued)

16. Dufresne, C.: "Rigid Fixation in Craniofacial Reconstruction." (Symposium of Methods of Facial Skeletal Fixation and Surgical Correction of Dentofacial Deformities, LSU, Shreveport, LA, February 1987.)
17. Dufresne, C.: "Craniofacial Reconstruction." (Symposium on Rigid Fixation, Trauma and Orthognathic Surgery, University of Texas at San Antonio, October 1987.)
18. Dufresne, C.: "Integumentary Considerations in Plastic and Reconstructive Foot Surgery." (Annual Podiatric Dermatology Seminar, Georgetown University, Washington, DC, April 1987.)
19. Dufresne, C.: "Cranial and Craniofacial Osteotomies - Modifications of Design and Fixation." (Symposium on Advanced Concepts in Rigid Skeletal Fixation MIEMSS, Baltimore, MD, November 1987.)
20. Dufresne, C.: "Surgery on Facial Hemangiomas." (Symposium on the Interventional Neuroradiology - Current Practices and Techniques, The Johns Hopkins University, Baltimore, MD, December 1987.)
21. Dufresne, C.: "Reconstructive Surgery for the Lower Extremity." (Annual Podiatric Dermatology Seminar, Georgetown University, Washington, DC, April 1988.)
22. Dufresne, C.: "Ten Centuries of Siamese Twin Surgery." (Annual Podiatric Dermatology Seminar, Georgetown University, Washington, DC, April 1988.)
23. Dufresne, C.: "Ten Centuries of Siamese Twin Surgery." (Regional Chapter of the American Association of Medical Transcription, Baltimore, MD, September 1988.)
24. Dufresne, C.: "Rigid Fixation of the Upper Craniofacial Skeleton." (Poster Exhibit ASPRS Meeting, Toronto, Canada, October 1988.)
25. Manson, P., Glassman, D., Iliff, N., Vander Kolk, C. and Dufresne, C.: "Rigid Fixation of Fractures of the Internal Orbit." (Presented at the A.S.P.R.S. Meeting, Toronto, Canada, October 1988.)
26. Dufresne, C.: "Complex Maxillofacial and Nasoethmoidal Fractures (including Bone Grafting)." (AO/ASIF Maxillofacial Symposium, Williamsburg, VA, October 1988.)
27. Dufresne, C.: "Modifications of Plate and Screw Fixation on Craniofacial Osteotomies." (Symposium on Rigid Fixation of the Craniofacial Skeleton - MIEMSS, Baltimore, MD, November 1988.)
28. Dufresne, C.: "Uses of Three-Dimensional Reconstruction in Congenital Deformities and Orthognathic Surgery." (Symposium on Rigid Fixation of the Craniofacial Skeleton - MIEMSS, Baltimore, MD, November 1988.)
29. Dufresne, C.: "Craniofacial Osteotomies." (AO/ASIF Maxillofacial Symposium, Davos, Switzerland, December 1988.)
30. Dufresne, C.: "Advances in Craniofacial Surgery." (Guest Lectureship - Department of Pediatrics, Overlook Hospital, affiliated with Columbia University, March 1989.)
31. Dufresne, C.: "Uses of Three-dimensional Reconstruction in Congenital Deformities and Orthognathic Surgery." (Guest Lectureship - Department of Pediatrics, Department of Radiology, Overlook Hospital/Columbia University, March 1989.)
32. Dufresne, C.: "Advances in Cleft Lip and Palate Surgery." (Guest Lectureship-Central New Jersey Orthodontic Study Group, Somerville, NJ, April 1989.)
33. Dufresne, C.: "Treatment of Pediatric Vascular Malformations and Deformities." (Guest Lectureship, Washington, DC, Dermatology Society Clinical Conference and the Department of Dermatology, George Washington University, April 1989.)

PRESENTATIONS AND EXHIBITS (Continued)

34. Dufresne, C.: "Plastic and Reconstructive Surgery on the Foot and Leg." (Presented at the Podiatric Dermatology Seminar, Georgetown University, April 1989.)
35. Wong, L., Dufresne, C., Richtsmeier, J. and Manson, P.: "The Effects of Rigid Fixation on Craniofacial Growth." (Presented at the Plastic Surgery Research Council, Atlanta, GA, April 1989.)
36. Dufresne, C.: "Surgery for Craniofacial Malformations." (Presented at the Symposium on Pediatric Neuroradiology and Neuroscience Topics, The Johns Hopkins Medical Institutions, Baltimore, MD, August 1989.)
37. Wong, L., Dufresne, C., Richtsmeier, J. and Manson, P.: "The Effects of Rigid Fixation on Craniofacial Growth." (Presented at the Northeastern Plastic Surgery Society, Newport, RI, October 1989.)
38. Wong, L., Dufresne, C., Richtsmeier, J. and Manson, P.: "The Effects of Rigid Fixation on Craniofacial Growth." Presented at the ASPRS Meeting, San Francisco, CA, October 1989.)
39. Dufresne, C.: "Considerations in Craniofacial Growth." (Presented at the MIEMSS Rigid Fixation Symposium, Baltimore, MD, November 1989.)
40. Dufresne, C.: "Use of Three-Dimensional Imaging in a Craniofacial Surgical Center." (Presented at the MIEMSS Rigid Fixation Symposium, Baltimore, MD, November 1989.)
41. Dufresne, C.: "New Advances in Craniofacial Surgery." (Presented at the Physicians Assistant Regional Symposium, Annapolis, MD, October 1989.)
42. Dufresne, C.: "Cleft Lip/Nasal Reconstruction in Infancy." (Presented at The Aesthetic Rhinoplasty Symposium in '89: State of the Art, New York, NY, December 1989.)
43. Dufresne, C.: "Aesthetic Craniofacial/Nasal Surgery." (Presented at The Aesthetic Rhinoplasty Symposium '89: State of the Art, New York, NY, December 1989.)
44. Dufresne, C.: "New Advances in Craniofacial Surgery." (Presented at the Neurosurgery Grand Rounds, The Johns Hopkins Hospital, Baltimore, MD, November 1989.)
45. Dufresne, C.: "Craniofacial Reconstructive Surgery." (Presented at the Current Concepts of Clinical Management-Maryland Academy of Physicians Assistants, Annapolis, MD, November 1989.)
46. Dufresne, C.: "Growth Considerations in Craniofacial Surgery." (Presented at the Rigid Fixation of the Craniofacial Skeleton Symposium, Baltimore, MD, December 1989.)
47. Dufresne, C.: "Three Dimensional Imaging in Craniofacial Surgery." (Presented at the Rigid Fixation: The Nursing Perspective, Baltimore, MD, December 1989.)
48. Perler, B., Vander Kolk, C., Dufresne, C., Williams, G.M.: "Can Infected Prosthetic Grafts Be Salvaged with Rotational Muscle Flaps." (Presented at the Southern Association for Vascular Surgery, Acapulco, Mexico, January 1990.)
49. Serletti, J. and Dufresne, C.: "Elective Osteotomies for Facial Deformities." (Presented at the Annual Park City Multidisciplinary Facial Plastic Meeting, Park City, UT, February 1990.)
50. Dufresne, C.: "Plastic Surgical Reconstruction of the Lower Extremity." (Presented at the Annual Podiatric Dermatology Seminar, Georgetown University, Washington, DC, May 1990.)

PRESENTATIONS AND EXHIBITS (Continued)

51. Dufresne, C.: "Treatment of Capillary Hemangiomas." (Presented at the Washington Regional Dermatological Society Meeting, "Washington, DC, May 1990.)
52. Dufresne, C.: "Physician Certification Under Medicare Legislation." (Presented at the Interim ASPRS Meeting, Sixth Annual Washington Legislative Conference, Washington, DC, June 1990.)
53. Dufresne, C.: "Plastic Surgery of Hemangiomas and Vascular Malformations of the Head and Neck." (Presented at the Interventional Neuroradiology: Current Practices and Techniques Symposium, Johns Hopkins University, Baltimore, MD, September 1990.)
54. Dufresne, C.: "Advances in Craniofacial Surgery." (Presented at the Washington Conference of the International Craniofacial Foundation, Washington, DC, November 1990.)
55. Dufresne, C.: "Craniofacial Surgery." (Presented at the Plastic Surgery Residents' Rounds, Georgetown University, November 1990.)
56. Dufresne, C.: "TRAM Flap Breast Reconstruction." (Presented at the Reston Hospital Breast Reconstruction Symposium, Reston Hospital, January 1991.)
57. Dufresne, C.: "New Advances in Craniofacial Surgery." (Presented at the Plastic Surgery Grand Rounds, George Washington University Medical Center, Guest Lectureship, January 1991.)
58. Dufresne, C.: "Craniofacial Syndromes: Timing and Techniques of Correction." (Presented at the Johns Hopkins Plastic Surgery Division's Evening Lecture Series, February 1991.)
59. Dufresne, C.: "Craniosynostosis." (Presented at the Plastic Surgery Residents' Rounds, Georgetown University, April 1991.)
60. Dufresne, C.: "Conservative vs. Aggressive Approach to the Management of Pediatric Mandibular Fractures, the Place for Rigid Fixation of These Fractures and the Long-Term Results and Complications of These Approaches." (Presented at the Facial Injury Management: State of the Art--An International Symposium, Chicago, IL, April 1991.)
61. Dufresne, C.: "Cleft Lip and Palate." (Presented at the Plastic Surgery Board Review Course. The Osler Institute, Philadelphia, PA, April 1991.)
62. Dufresne, C.: "Vascular Malformations and Pigmented Lesions." (Presented at the Plastic Surgery Board Review Course, The Osler Institute, Philadelphia, PA, April 1991.)
63. Dufresne, C., Richtsmeier, J. and Corner, B.: "Categorization of Craniofacial Dysmorphia for the Prediction of Surgical Outcome." (Presented at the International Society of Craniomaxillofacial Surgery, Santiago, Spain, June 1991.)
64. Dufresne, C.: "Craniofacial Reconstruction - Autogenous or Alloplastic Implant?" (Presented at the Long Island Plastic Surgery Association Grand Rounds, North Shore University Hospital, Manhasset, NY, October 1991.)
65. Dufresne, C.: "Facial Clefting." (Presented at the Cleft Lip and Palate Craniofacial Update. The Inova Institute of Research and Education, Fairfax Hospital, Falls Church, VA, November 1991.)
66. Dufresne, C.: "Craniosynostosis." (Presented at the Cleft Lip and Palate Craniofacial Update, The Inova Institute of Research and Education, Fairfax Hospital, Falls Church, VA, November 1991.)
67. Dufresne, C.: "Treatment of Hemangiomas and Vascular Malformations." (Presented at the Georgetown Plastic Surgery Resident Rounds, Georgetown University, Washington, DC, February 1992.)

PRESENTATIONS AND EXHIBITS (Continued)

68. Dufresne, C.: "Plastic Surgical Reconstruction of the Lower Extremity." (Presented at the Regional Podiatric Grand Rounds, Baltimore, MD, February 1992.)
69. Dufresne, C.: "Advances in Cleft and Craniofacial Surgery." (Presented at the Neonatology Rounds, Potomac Hospital, Woodbridge, VA, February 1992.)
70. Dufresne, C.: "Controversies in the Management of Complex Facial Wounds," Interdisciplinary Panel Discussant. (Presented at the Annual 1992 Meeting, "New Directions in the 1990's," Metropolitan Washington Chapter American College of Surgeons, Washington, DC, 1992.)
71. Richtsmeier, J.T. and Dufresne, C.R.: "The Interaction of Growth Pattern and Surgical Outcome in Craniosynostosis." (Presented at the American Association of Physical Anthropologists, Las Vegas, NV, March 1992.)
72. Dufresne, C.: "Plastic Surgery Considerations in the Reconstruction of the Foot and Lower Extremity." (Presented at the Regional Podiatric Dermatology Seminar, Georgetown University, Washington, DC, April 1992.)
73. Dufresne, C. and Paul, H., Jr.: "The Role of Meshed Plating for the Reconstruction of Extensive Craniofacial Defects." (Presented as a Poster Exhibit, American Society of Plastic and Reconstructive Surgeons Annual Meeting in Washington, D.C., October 1992.)
74. Dufresne, C.: "3-D Diagnostics of Craniofacial Anomalies and Reconstruction Techniques." (Presented at the Fourth World Conference of the International College for Craniofacial and Vertebral Therapeutics [I.C.C.V.T.] , Washington, D.C., October 1992.)
75. Dufresne, C.: "Current Concepts in Cleft Lip and Palate and Craniofacial Management." (Presented at the Fairfax County Dental Society Meeting, Vienna, VA October 1992.)
76. Dufresne, C.: "Craniosynostosis." (Presented at the Current Concepts in Cleft Lip and Palate and Craniofacial Management Symposium, INOVA Health System, Vienna, VA, October 1992.)
77. Dufresne, C.: "Trends in Management of Cleft Lip and Palate: Surgery and Treatment Timing and Techniques -Panel Discussion." (Presented at the Current Concepts in Cleft Lip and Palate and Craniofacial Management Symposium, INOVA Health System, Vienna, VA, October 1992.)
78. Dufresne, C.R. "Naso-Orbital-Ethmoidal Fractures in Craniofacial Trauma." (Presented at the AO/ASIF Maxillofacial Course, Mount Sinai School of Medicine (CUNY), Toronto, Canada, November 1992.)
79. Dufresne, C.R.: "Pediatric Craniofacial Applications of Rigid Fixation. (Presented at the AO/ASIF Maxillofacial Course, Mount Sinai School of Medicine (CUNY), Toronto, Canada, November 1992.)
80. Dufresne, C.R.: "Advances in Craniofacial Surgery." (Presented as Visiting Professor, University of Rochester, Rochester, NY, November 1992.)
81. Dufresne, C.R. and French, J.H.: "A New Face--A New Life." (Presented at the New Horizons in Pediatrics, Northern Virginia Institute for Continuing Medical Education, Alexandria Hospital, Alexandria, VA, December 1992.)
82. Dufresne, C.R.: "The Evaluation and Treatment of Hemangiomas and Vascular Malformations." (Presented at the Pediatric Surgery Grand Rounds. The Johns Hopkins Hospital, Baltimore, MD, February 18, 1993.)

PRESENTATIONS AND EXHIBITS (Continued)

83. Dufresne, C.R.: "Rigid Fixation in Congenital Craniofacial Surgery." (Presented at the Rigid Fixation of the Craniofacial Skeleton Course sponsored by the University of South Florida and the Tampa Bay Craniofacial Center, Orlando, FL, February 28, 1993.)
84. Dufresne, C.R.: "Plastic and Reconstructive Surgical Considerations in the Lower Extremity." (Presented at the Annual Cherry Blossom Podiatric Dermatology Seminar, Georgetown University and the American Society of Podiatric Dermatology, April 4, 1993.)
85. Dufresne, C.R.: "Proteus Syndrome - A Newly Recognized Hamartomatous Syndrome with Significant Cranial Dysmorphology." (Presented at the V International Congress of Craniofacial Surgery, Oaxaca, Mexico, October 25, 1993.)
86. Dufresne, C.R.: "Frontal--Cranial Teratoma with Hypertelorism: Case Report and Review of the Literature." (Poster presentation at the V International Congress of Craniofacial Surgery, Oaxaca, Mexico, October 25, 1993.)
87. Dufresne, C.R. and Debrun, G.M.: "The Multidisciplinary Management of Hemangiomas and Vascular Malformations of the Head and Neck." (Poster presentation at the V International Congress of Craniofacial Surgery, Oaxaca, Mexico, October 25, 1993.)
88. Dufresne, C.R.: "The Effects of Absorbable Plating Fixation (PGA) on the Growing Craniofacial Morphology in the New Zealand White Rabbit." (Poster presentation at the V International Congress of Craniofacial Surgery, Oaxaca, Mexico, October 25, 1993.)
89. Dufresne, C.R.: "Facial Dysmorphology, Form and Function." (Presented at the Symposium - Craniofacial Update 1993: Surgical and Psychosocial Challenges in the Treatment of Facial Anomalies," Fairfax, VA, November 6, 1993.)
90. Dufresne, C.R.: "Current Trends in Breast Reconstruction." (Presented at the Y-ME National Capital Area Local Update Meeting, Bethesda Naval Hospital, January 8, 1994.)
91. Dufresne, C.R.: "Alveolar Bone Grafting in Cleft Lip and Palate Patients--Panelist Discussion." (Presented at the Maryland society for Cleft Lip and Palate Children, Alveolar Bone Graft Program--A Parent/Professional Challenge, Johns Hopkins University--APL, April 9, 1994.)
92. Dufresne, C.R.: "Rigid Fixation of the Craniofacial Skeleton in Traumatic Injuries." (Presented at the Workshop in Internal Rigid Fixation, Dallas, TX, April 12, 1994.)
93. Dufresne, C.R.: "Presurgical Orthopedic Treatment in cleft Lip and Palate Patients." (Presented at the ASMS/ACPA/PSEF International Symposium on Surgical Techniques in Cleft Lip and Palate: Solving Difficult Problems, Dallas, TX, April 12, 1994.)
94. Dufresne, C.R.: "Techniques for Bone Grafting." (Presented at the ASMS/ACPA/ PSEF International Symposium on Surgical Techniques in Cleft Lip and Palate: Solving Difficult Problems, Dallas, TX, April 16, 1994.)
95. Dufresne, C.R.: "Rigid Fixation in the Treatment of Patients with Cleft Lip and Palate Deformities." (Presented at the ASMS/ACPA/PSEF International Symposium on Surgical Techniques in Cleft Lip and Palate: Solving difficult Problems, Dallas, TX, April 16, 1994.)
96. Dufresne, C.R.: "New Advances in the Plastic and Reconstructive Treatment of Lower Extremity Problems." (Presented at the American Society of Podiatric Medicine, Georgetown University, Washington, DC April 24, 1994.)
97. Dufresne, C.R.: "Plastic Surgical Approaches in Foot and Ankle Trauma." (Presented at the Region Eight Mid-Atlantic Podiatry Conference, Reston, VA, September 23, 1994.)
98. Dufresne, C.R.: "The Evolution of Imaging in the Craniofacial Area." (Presented at the Symposium on Craniomaxillofacial Surgery for the 21st Century: Techniques Concepts and Innovations, NOVA Center for Quality and Health Education, Falls Church, October 21-23, 1994.)

PRESENTATIONS AND EXHIBITS (Continued)

99. Dufresne, CR.: "The Effects of Rigid Fixation on the Growing Craniofacial Skeleton." (Presented at the Symposium on Craniomaxillofacial Surgery for the 21st Century. Techniques, Concepts and Innovations, NOVA Center for Quality and Health Education, Falls Church, VA, October 21-23, 1994.)
100. Dufresne, C.R.: "Variations in the Use of Rigid Fixation in Craniofacial Surgery." (Presented at the Symposium on Craniomaxillofacial Surgery for the 21st Century: Techniques, Concepts and innovations, INOVA Center for Quality and Health Education, Falls Church, VA, October 21-23, 1994.)
101. Dufresne, C.R.: "Selected Use of Rigid Fixation Techniques in Pediatric Craniofacial Surgery." (Presented at the Symposium Techniques, Concepts and Innovations, INOVA Center for Quality and Health Education, Falls Church, VA, October 21-23, 1994.)
102. Dufresne, C.R.: "Aesthetic Craniofacial Surgery." (Presented at the Symposium on Craniomaxillofacial Surgery for the 21st Century: Techniques, Concepts and Innovations, INOVA Center for Quality and Health Education, Falls Church, VA, October 21-23, 1994.)
103. Dufresne, C.R.: "Future Developments and Innovations in Craniomaxillofacial Surgery." (Presented at the Symposium on Craniomaxillofacial Surgery for the 21st Century: Techniques, Concepts and Innovations, INOVA Center for Quality and Health Education, Falls Church, VA, October 21-23, 1994.)
104. Dufresne, C.R.: "Congenital Craniofacial Deformities and the Use of Rigid Fixation and New Imaging in Surgery." (Presented at the Symposium on Craniomaxillo-facial Surgery for the 21st Century: Techniques, Concepts and Innovations, INOVA Center for Quality and Health Education, Falls Church, VA, October 21-23, 1994.)
105. Dufresne, C.R.: "The Role of the Plastic Surgeon: When Do You Consult?" (Presented at the Symposium on Pediatric surgery: Office Based Decisions for the Primary Care Physician, INOVA Center for Quality and Health Education, Falls Church, VA, November 16 and 17, 1994.)
106. Dufresne, C.R.: "Hemangiomas and Vascular Malformation." (Presented at the Georgetown University, Division of Plastic Surgery Resident Rounds, Washington, DC, December 15, 1994.)
107. Dufresne, C.R.: "Plastic Surgery and Skin Closure Techniques." (Presented at the District of Columbia Podiatric Medical Association--Current Concepts and Techniques in Podiatric Medicine and Foot Surgery, Washington, DC, April 1, 1995.)
108. Dufresne, C.R.: "Craniofacial Surgery for the 21st Century." (Presented at the Virginia Plastic Surgery Nursing Association, Williamsburg, VA, April 8, 1995.)
109. Dufresne, C.R.: "Plastic and Reconstructive Surgical Techniques of the Lower Extremity." (Presented at the Annual Cherry Blossom Podiatric Dermatology Seminar, April 23, 1995.)
110. Dufresne, C.R.: "Plastic Surgery - A Consumers Report." (Presented at a Public Seminar at the Fair Oaks Hospital, Fairfax, VA, April 26, 1995.)
111. Dufresne, C.R. and Zinreich, S.J.: "The Use of Three-Dimensional Imaging in a Craniofacial Center." (Presented at the Virtual Reality in Medicine and Developers' Expo Meeting, Cambridge, MA, June 1-4, 1995.)
112. Dufresne, C.R., Raghaven, R., Feng, S., Pang, P. and Richtsmeier, J.: "Compu-terized Dynamic Skeletal Modeling for Craniofacial Surgical Planning: New Tools to Predict Growth Following Surgery." (Presented at the Sixth International Craniofacial Society Symposium, St. Tropez, France, October 21-24, 1995.)
113. Dufresne, C.R., "Craniomaxillofacial Reconstruction." (Presented at the Perioperative Nursing Symposium by the INOVA Center for Clinical Education and Development, Fairfax, VA, February 5, 1996.)

PRESENTATIONS AND EXHIBITS (Continued)

114. Shermak, M. and Dufresne, C.R.: "Giant Congenital Nevocellular Nevus Overlying an Encephalocele." (Presented at the PSEF/ASMS Craniofacial Surgery: State of the Art Symposium, New York, March 23, 1996.)
115. Dufresne, C.: "Lower Extremity Indications for Plastic and Reconstructive Surgery." (Presented at the 1996 Cherry Blossom Podiatric Dermatology Seminar, Washington, DC, April 1996.)
116. Dufresne, C., Raghaven R., Reng, S., Pang, P. and Richtsmeier, J.: "Computerized Dynamic Skeletal Modeling for Craniofacial Surgical Planning: New Tools to Predict Growth Following Surgery." (Presented at the 58th Annual Surgical Update of the International College of Surgeons, May 3, 1996.)
117. Dufresne, C.: "Structural Fetal Problems--the Face." (Presented at the Structural Fetal Problems - The Total Picture, Baltimore Ultrasound Education and Research Symposium, Baltimore, MD, May 30, 1996.)
118. Dufresne, C. and Adrian, R.: "Aesthetic Laser Surgery: Good News for your Skin." (Presented at the Sibley Hospital Community Presentations, Washington, DC, September 19, 1996.)
119. Dufresne, C.: "New Advances in Craniofacial Surgery." (Presented at the AORN Workshop, Sibley Hospital, Washington, DC, September 29, 1996.)
120. Dufresne, C.: "Advances in Craniofacial Surgery." (Presented at the Virginia Coalition of Cleft and Craniofacial Teams Annual Meeting, Williamsburg, VA, October 4, 1996.)
121. Dufresne, C.: "Timing and Techniques--Differences in Team Approaches - Panel Discussion." (Presented at the Virginia Coalition of Cleft and Craniofacial Teams Annual Meeting, Williamsburg, VA, October 5, 1996.)
122. Dufresne, C.: "Current Concepts in the management of Vascular Malformation." (Presented at the International Symposium on Maxillofacial-Skull Base Surgery, Quezon City, Philippines, November 14-18, 1996.)
123. Dufresne, C.: "Craniosynostosis and Neurocranial Asymmetry." (Presented at the International Symposium on Maxillofacial-Skull Base Surgery, Quezon City, Philippines, November 14-18, 1996.)
124. Dufresne, C.: "Oro-Craniofacial Clefts." (Presented at the International Symposium on Maxillofacial-Skull Base Surgery, Quezon City, Philippines, November 14-18, 1996.)
125. Dufresne, C.: "Orbital Hypertelorism, Exophthalmos and Oculoplastic Recon-struction." (Presented at the International Symposium on Maxillofacial-Skull Base Surgery, Quezon City, Philippines, November 14-18, 1996.)
126. Dufresne, C.: "Tissue Expansion and New Horizons in Craniofacial Surgery." (Presented at the International Symposium on Maxillofacial-Skull Base Surgery, Quezon City, Philippines, November 14-18, 1996.)
127. Dufresne, C.: "Conjoint Twins-One Thousand Years of Surgery." (Presented at the AORN Virginia Chapter, Fairfax Hospital, Fairfax, VA, December 9, 1996.)
128. Dufresne, C.: "Current and Future Advances in Plastic and Reconstructive Surgery." (Presented at the American Society of Podiatric Dermatology, Georgetown University, Washington, DC, April 20, 1997.)
129. Dufresne, C.: "Aesthetic Concepts and Treatment of the Aging Face." (Presented at the Cutaneous Laser Surgery Symposium, Washington, DC, May 17-18, 1997.)
130. Dufresne, C.: "Surgical Management of Complex Facial Vascular Malformations." (Presented at the Cutaneous Laser Surgery Symposium, Washington, DC, May 17-18, 1997.)

PRESENTATIONS AND EXHIBITS (Continued)

131. Dufresne, C., Atalia, F.: "Clinical Application of an Internal/Percutaneous Mandibular Distractor: A Preliminary Report." (Presented at the International Society of Craniofacial Surgery, Santa Fe, New Mexico, September 14-17, 1997.)
132. Dufresne, C.: "Long-Term Results of Pre-Surgical Orthopedics. (Presented at the International Symposium on Surgical Techniques in Cleft Lip and Palate: Long-Term Results, San Francisco, CA, September 19, 1997.)
133. Dufresne, C.: "Long-Term Results in Cleft-Lip Nose. (Presented at the International Symposium on Surgical Techniques in Cleft Lip and Palate: Long-Term Results., San Francisco, CA, September 19, 1997.)
134. Dufresne, C.: "The Role of Biomaterials in Craniofacial Trauma." (Presented at the Advances and Innovations in Craniomaxillofacial Trauma Management Symposium, Dallas, Texas, Oct. 30-Nov. 2, 1997.)
135. Dufresne, C.: "Innovations in the Management of Pediatric Craniofacial Trauma." (Presented at the Advances and Innovations in Craniomaxillofacial Trauma Management Symposium, Dallas, Texas, Oct. 30-Nov. 2., 1997.)
136. Dufresne, C.: "Preventing NOE Deformities." (Presented at the Advances and Innovations in Craniomaxillofacial Trauma Management Symposium, Dallas, Texas, Oct. 30-Nov. 2, 1997.)
137. Dufresne, C.: "Current Management of Cleft Lip." (Presented at the Faculty Panel of the Wilhelmssen Cleft Symposium, Baltimore, MD, April 25, 1998.)
138. Dufresne, C.: "Current Concepts in Plastic and Reconstructive Surgery." (Presented at the Cherry Blossom Podiatric Dermatology Seminar, Washington, DC, April 1998.)
139. Dufresne, C.: "Facial Problems." (Presented at the Structural Fetal Problems - The Total Picture Symposium, Baltimore, MD, May 29, 1998.)
140. Dufresne, C.: "Clinical Use of Alloplastic Materials in the Craniofacial Skeleton: Benefits and Controversies." (Presented at the Symposium in Biomaterials in the Face: Benefits and Risks, Boston, MA, Oct. 2, 1998.)
- Dufresne, C: "Advances in Plastic Surgery of the Lower Extremities." (Presented at the Annual Cherry Blossom Podiatric Dermatology Seminar, Washington, DC, April 18, 2000.)
142. Dufresne, C: "Clinical Experience with the Synthes Percutaneous Mandibular Bone Distractor." (Presented at the AO/ASIF: Challenges and Advances in Craniomaxillofacial Trauma and Reconstruction [Focus: Distraction Osteogenesis vs Orthognathic Surgery], Washington, DC, May 6-8, 2000.)
143. Dufresne, C: "Cranial Expansion with Distraction Osteogenesis." (Presented at the AO/ASIF – Challenges and Advances in Craniomaxillofacial Trauma and Reconstruction [Focus: Distraction Osteogenesis vs Orthognathic Surgery], Washington, DC, May 6-8, 2000.)
144. Dufresne, C: "Bone Distraction of the Mandible." (Presented at the Fairfax Neonatal Association, Grand Rounds, Fairfax Hospital, Fairfax, VA, Sept. 12, 2000.)
145. Dufresne, C: Aesthetic Craniofacial Surgery - "Masters in Plastic Surgery Panel." (Presented at the Northeastern Society of Plastic Surgeons Meeting, Montreal, Canada, Sept. 16, 2000.)
146. Dufresne, C: "Lower Extremity Application of Plastic and Reconstructive Surgery." (Presented at the 2001 Cherry Blossom Podiatric Dermatology Seminar Program, Washington, DC, April 21, 2001.)

PRESENTATIONS AND EXHIBITS (Continued)

147. Lee, J., Fitzgibbon, E., Butman, J., Dufresne, C., Weintraub, S., Robey, P., Collins, M: “Anterior Cranial Bone Fibrous Dysplasia and the Effect on the Optic Nerve Canal and Vision.” (Presented at the IXth International Craniomaxillofacial Society Meeting, Visby, Sweden, June 20, 2001.)
148. Dufresne, C: “Aesthetic Reconstruction of the Craniofacial Skeleton & Application of Aesthetic Principles for Superior Results.” Plastic Surgery Alumni Day Program, Columbia University, College of Physicians and Surgeons, New York, NY May 28, 2002)
149. Dufresne, C: “Caring for the Survivors of the Pentagon Disaster: Reconstructing Lives.” (Presented at the Virginia Association of Rehabilitation Nurses: Post-Acute Surgical Reconstruction, Fairfax, VA, September 20, 2002.)
150. Dufresne, C: “Bilateral Cleft Lip and Palate Surgery.” (Presented at the Georgetown University Plastic Surgery Residents’ Teaching Conference, January 23, 2003.)
151. Dufresne, C: “Secondary Cleft Palatal Surgery, VPI, Fistulas and Flaps.” (Presented at the Georgetown University Surgery Residents’ Teaching Conference, February 6, 2003.)
152. Dufresne, C: “The Use of Alloplastic Materials in Facial and Reconstructive Surgery.” (Presented at the XXXIV National Congress of the Mexican Association of Plastic Surgery-Aesthetic and Reconstructive, A.C., February 13, 2003, Leon, Mexico.)
153. Dufresne, C: “The Treatment of Large Neurocranial Defects.” (Presented at the XXXIV National Congress of the Mexican Association of Plastic Surgery-Aesthetic and Reconstructive, A.C., February 14, 2003, Leon, Mexico.)
154. Dufresne, C: “Aesthetic Craniofacial Surgery.” (Presented at the XXXIV of the Mexican Association of Plastic Surgery-Aesthetic and Reconstructive, A.C., February 14, 2003, Leon, Mexico.)
155. Dufresne, C: “Aesthetic Facial Surgery Utilizing Soft Tissue and Skeletal Recontouring.” (Presented at the XXXIV National Congress of the Mexican Association of Plastic Surgery-Aesthetic and Reconstructive, A.C., February 14, 2003, Leon, Mexico.)
156. Dufresne, C: “Total Cranial Assessment and Reconstruction for Optimal Aesthetic and Functional Reconstruction: Principles that Result in Excellence in Form and Function.” (Presented at the INOVA Symposium on Aesthetic and Reconstructive Advances in Craniofacial Surgery, April 4-5, 2003, Landsdowne, VA.)
157. Dufresne, C., Barron, R.: “Congenital Orbital Surgery: Orbital Expansion and Prostheses. (Presented at the AO/ASF Challenges and Advances in the Management of the Craniomaxillofacial Surgery, April 14, 2003, Baltimore, MD.)
158. Dufresne, C.: “Challenging Orbital Problems.” (Presented at the AO/ASIF Challenges and Advances in the management of Craniomaxillofacial Surgery, April 14, 2003, Baltimore, MD.)
159. Dufresne, C.: “Craniopagus Surgery – The Hopkins Experience.” (Presented as part of panel discussion on Conjoint Twin Surgery at the International Craniofacial Surgery Society Meeting, Monterey, CA, September 24, 2003.)
160. Dufresne, C.: “Misadventures in Facial Fracture Surgery – The Neurocranium.” (Presented as part of panel discussion on Misadventures in Facial Fracture Surgery, Northeastern Society of Plastic Surgeons, Baltimore, MD, October 4, 2003.)
161. Dufresne, C.: “The Art and Science of Cranio-Facial Surgery.” (Presented at the Virginia Dental Hygienists’ Association Conference, Fairfax, VA, April 23, 2004.)
162. Dufresne, C.: “Art and Science of Plastic Surgery: Evolution through the Ages.”(Presented at the Association of Surgical Technologists, Fairfax, VA, May 29, 2004.)

PRESENTATIONS AND EXHIBITS (Continued)

163. Dufresne, C., Carson, B.S.: "Separation of Craniopagus Twins: The Johns Hopkins Experience." (Presented at the Tenth International Congress of the International Society of Craniofacial Surgery, Monterey, CA, September, 2003. Published in The Proceedings of the Tenth International Congress of the International Society of Craniofacial Surgery, pp 365-366, Medimond, Bologna, Italy, 2004.)
164. Dufresne, C.: "Special Considerations in the Treatment of Pediatric Fractures." (Presented as part of Panel on Facial Injuries in Orbital and Pediatric Trauma, Northeastern Society of Plastic Surgeons, Naples, FL, January 22, 2005.)
165. Dufresne, C., Cutler, M., Lee, J., Butman, J., FitzGibbon, E., Kim, J., Collins, M.: "Surgical Concerns in Fibrous Dysplasia and McCune-Albright Syndrome." (Presented at the International Craniofacial Society Meeting, Coolum, Australia, September 12, 2005.)
166. Cutler, M., Kelly, M., Brillante, B., Kim, J., Brewer, C., Zalenski, C., Butman, J., FitzGibbon, E., Robey, P., Dufresne, C., Collins, M.: "Characterization of the Craniofacial Effects of Fibrous Dysplasia and McCune-Albright Syndrome." (Presented at the International Craniofacial Society Meeting, Coolum, Australia, September 12, 2005.)
167. Dufresne, C.: "Indication for Pediatric Craniomaxillofacial Surgery." (Presented at the Principles of Craniomaxillofacial Trauma and Reconstruction for Operating Room Personnel, Annapolis, MD, January 2006.)
168. Dufresne, C.: "Melanoma." (Presented at the Department of Surgery Grand Rounds, INOVA Fairfax Hospital, February 1, 2006).
169. Current Perspectives in Plastic Surgery: Point-Counter point by The Experts, Washington, D.C. INOVA Health Systems June 3-4, 2006.
170. Dufresne, C.: "Mandibular and Chin Aesthetic Surgery." (Presented at the Symposium on Current Perspectives in Plastic Surgery: Point-Counter point by The Experts, Washington, D.C. INOVA Health Systems June 3-4, 2006).
171. Dufresne, C.: "Frontal Sinus Frctures." (Presented at the Symposium on Current Concepts in the Management of Craniomaxillofacial Trauma, Atlanta, GA September 23, 2006).
172. Dufresne, C.: "Alloplastic vs Autogenous Tissue in Secondary Craniofacial Reconstruction." (Presented at the Symposium on Current Concepts in the Management of Craniomaxillofacial Trauma, Atlanta, GA September 23, 2006).
173. Dufresne, C.: "Challenging Cases" (Presented at the AOASIF Advanced Orbital Course, New York, NY September 17-18, 2007).
174. Dufresne, C.: "Genioplasty." (Presented at the Complications of Craniomaxillofacial surgery and Facial Aesthetic Surgery Symposium. Baltimore, MD October 26, 2007).
175. Dufresne, C.: "What Makes a Plastic Surgeon?" (Presented at the NESPS 25th Annual Meeting – Founder's Lecture, Philadelphia, PA October 4, 2008.)
176. Dufresne, C.: "The Management of Problematic Hemangiomas and Vascular Malformations." (Presented at Surgery Grand Rounds, Penn State University April 19, 2009).
177. Dufresne, C.: "The Management and Avoidance of Complications with Alloplastic Chin Implants and Osseous Genioplasty." (Presented at The Plastic Surgery Didactic Session. Penn State University April 19, 2009).
178. Dufresne, C.: "Treatment Algorithm for challenging Cases." (Presented at the Advanced Orbital Surgery Symposium, Baltimore, MD May 15, 2010)

PRESENTATIONS AND EXHIBITS (Continued)

179. Goldstein, G., Manson, P., Basci, D., Hindenburg, L., Dufresne, C., Baker, S.: Cleft Care of International Adoption. (Presented at the Northeastern Society of Plastic Surgeons, Amelia Island, FL., Oct. 22, 2011).
180. Dufresne, C: Management and avoidance of complications in Chin Augmentation and Genioplasty. (Presented at the ASPS meeting Oct. 26, 2007. ASMS Complications of Craniomaxillofacial Surgery and Facial Aesthetic Surgery Symposium, Atlanta, GA.)
181. Dufresne, C.: Treatment Algorithm for Challenging Cases. (Presented at the Advanced Orbital Surgery Symposium, May 15, 2010, Baltimore, MD.)
182. Dufresne, C: Burn Management in the Pediatric Patient. (Presented at the Moshen Ziai, MD, Ped. Symposium, Nov. 2, 2012)

VIDEO TAPE PRESENTATIONS

1. Dufresne, C., Cutting, C., Hoffman, W., and McCarthy, J: "The Use of Three-Dimensional Computer Graphics in a Plastic Surgery Center: Custom Editing and Individualized Processing." (Presented at the meeting of the Society of American Plastic and Reconstructive Surgeons, Kansas City, MO, Oct. 1985). Accepted into the PSEF Audiovisual Library, May 1986.
2. Dufresne, C., Cutting, C., Hoffman, W., and McCarthy, J.: "The Use of Three-Dimensional Computer Graphics in a Craniofacial Surgery Center: Analysis and Surgical Planning." (Presented at the American College of Surgeons' Meeting. New Orleans, LA, October 1986.)
3. Dufresne, C.: "Uses of Computerized Three-Dimensional Reconstruction in Congenital Deformities and Orthognathic Surgery." (Presented at the Symposium on Rigid Fixation of the Craniofacial Skeleton--MIEMSS, Baltimore, MD, November 1988). Accepted as part of the Audiovisual Library Archives of the Armed Services Medical Museum, November 1988.
4. Carson, B. and Dufresne, C.: "Craniofacial Surgery." Video Journal of Neurosurgery. August 1989.
5. Carson, B. and Dufresne, C.: "Cranioplasty." Video Journal of Neurosurgery. August 1989.
6. Dufresne, C., Carson, B. and Zinreich, S.J.: The Use of Three-Dimensional Computerized Tomography in a Craniofacial Center--An Update." (Presented at the Annual American College of Surgeons' Meeting, New Orleans, LA, November 1992.)

TEXTBOOKS

1. Dufresne, C.R., Carson, B.S., and Zinreich, S.J. (Editors): Complex Craniofacial Problems: Guide to Analysis and Treatment. Churchill Livingstone Publishers, New York, NY, 1992.

PAPERS

1. Johnson, C., Dufresne, C., and Bulkley, G.: Extra-abdominal perforation of gastric ulcer: A complication of incarcerated epigastric hernia. American Surgeon, 46:418, 1980.

ASSOCIATIONS AND ORGANIZATIONS

Johns Hopkins Medical and Surgical Association	Member (1977-Present)
American Medical Association	Active Member (1978-Present)
John M. Converse Society	Member (1982-Present)
American Cleft Lip and Palate Association	Member (1987-Present)
American Society of Maxillofacial Surgeons Government Relations Committee Socioeconomic Committee	Member (1987-Present) (1990-1995) (1990-1991) & (1998-1999)
Best Paper Award Committee	(1993-1994) & (2001-2002)
Ethics Committee	(1997-1998)
Ethics Committee Chairman	(1998-2005)
Plastic Surgery Research Council	Member (1988-Present)
American Society of Plastic and Reconstructive Surgeons Young Plastic Surgeons Committee Government Relations Committee Socioeconomic Committee Scientific Program Committee	Member (1988-Present) (1988-1992) (1989-1996) (1989-1991) (1991-1992), (1996-1997), (1997-1998), (2001-2002)
Fellow of the American College of Surgeons	Member (1988-Present)
John Staige Davis Society	Member (1989-1992)
International Society of Craniomaxillofacial Surgery	Associate Member (1989-Present) Member (1993-Present)

ASSOCIATIONS AND ORGANIZATIONS (Continued)

Northeastern Plastic Surgery Society	Member (1989-Present)
Scientific Program Committee	(1992-1993), (1996-1997), (1998-1999)
Committee Chairman, By-Laws Committee	(2001-2002)
Member-at-Large	(2003-2004)
Vice-President	(2004-2005)
President	(2005-2006)
Trustee	(2007-2009)
Fairfax Medical Society	Member (1990-Present)
National Capital Medical Society	Member (1990-Present)
Southeastern Medical Society	Member (1990-1992)
Pan-Pacific Plastic Surgery Association	Member (1991-1993)
American Society of Aesthetic Plastic Surgeons	Member (1992-Present)
American Association of Plastic Surgery	Member (2006-Present)

ACADEMIC APPOINTMENTS

American Academy of Experts and Trauma Stress	Member (1997)
American Society of Maxillofacial Surgery	
Ethics Committee Chairman	(1998-2005)
Scientific Program Committee	(2003-2004)
Assistant Professor	The Johns Hopkins University, Division of Plastic Surgery (1985-1989)
Clinical Assistant Professor	The Johns Hopkins University, Division of Plastic Surgery (1989-2000)
Clinical Assistant Professor	The Johns Hopkins University, Department of Neurosurgery (1989-1994)
Director	The Facial Rehabilitation Center, The Children's Hospital, Inc. and Center for Reconstructive Surgery and the Johns Hopkins Hospital (1985-1989)
Director	Ear Deformity Clinic, Cleft Lip, and Palate Clinic The Johns Hopkins Hospital and the Children's Hospital, Inc. and Center for Reconstructive Surgery (1985-1989)
Chief	Plastic Surgery Service, Loch Raven Veterans Administration Medical Center (1985-1989)

ACADEMIC APPOINTMENTS (Continued)

Clinical Associate in Plastic Surgery	University of Maryland Hospitals (1985-1989)
Attending Physician in Plastic Surgery	Maryland Institute for Emergency Medical Services System (MIEMSS Shock Trauma Center) (1985-1989)
Clinical Instructor in Plastic Surgery	George Washington University (1990-1993)
Clinical Associate Professor in Plastic Surgery	Georgetown University (1994-1999)
Clinical Assistant Professor in Plastic Surgery	Georgetown University (1989-1994)
Clinical Professor in Plastic Surgery	Georgetown University (1999-Present)
Consultant, NIH McCune- Albright Project	NIH (2000-2003)
Clinical Associate Professor	The Johns Hopkins University Division of Plastic Surgery 2000-2013
Clinical Professor of Plastic Surgery:	Virginia Commonwealth University 2011-Present

INSTITUTIONAL POSITIONS

- Plastic Surgery representative for the Pediatric Surgery Advisory Committee at The Johns Hopkins Hospital (1985-1989)
- Quality Assurance Committee at the Children's Hospital, Baltimore, MD (1985-1988)
- Long Range Planning Committee at the Children's Hospital, Baltimore, MD (1985-1987)
- Laser Committee at The Johns Hopkins Hospital (1986-1987)
- Co-Director--Center for Facial Rehabilitation, Fairfax Hospital (1989-present)
- Executive Committee, Medical Advisory Brd--International Craniofacial Fdn.(1990-1992)
- Operating Room Committee--Reston Hospital, Reston, VA (1991-1992)
- Medical Staff Committee--Fairfax Hospital, Falls Church, VA (1993-1994)
- Pediatric Fund Raising Committee--Fairfax Hospital, Falls Church, VA (1992-1994)
- Section Chief of Plastic Surgery--Fairfax Hospital, Falls Church, VA (2000-2005)
- Director, Craniofacial Clinic INOVA Fairfax Hospital, Falls Church, VA (2002-present)
- Operating Room Suite Committee, Fairfax Hospital, Falls Church, VA (2000-2005)

LICENSURE

Maryland	D32266	May 16, 1985
Virginia	43817	June 1, 1989
Washington, DC	17938	July 13, 1989

BOARD CERTIFICATION

American Board of Plastic Surgery #3222 November 13,1986

NATIONAL PROVIDER IDENTIFIER

NPI # 1972525392 July 24, 2006

VISITING PROFESSORSHIPS

University of Rochester, Rochester, New York, 11/16/1992, "Advances in Craniofacial Surgery," Department of Plastic Surgery

Eastern Virginia Medical College, Norfolk, Virginia, 5/15/1993 "The Use of Alloplastic Material in the Reconstruction of the Craniofacial Skeleton," Department of Plastic Surgery

University of Virginia, Charlottesville, Virginia, 11/13/1998, "Current Modalities in the Treatment of Vascular Malformation of the Head and Neck." (Presented at the Grand Rounds in the Department of Plastic Surgery)

University of Virginia, Charlottesville, Virginia, 11/13/1998, "Current Modalities in the Treatment of Vascular Malformation of the Head and Neck." (Presented at the Grand Rounds in the Department of Plastic Surgery).

University of Virginia, Charlottesville, Virginia, 11/14/1998, "New Technological Advances and Their Use in the Treatment of Craniofacial Disorders." (Presented at the Claude C. Coleman, Jr. and Sr. Lecture in Craniofacial Surgery).

Penn State University, Hershey, Pennsylvania, 4/17/2009, "The Management of Problematic Hemangiomas and Vascular Malformations." (Presented at Surgery Grand Rounds) and "The Management and Avoidance of Complications with Alloplastic Chin Implants and Osseous Genioplasty." (Presented at Plastic Surgery Didactic Session).

RESEARCH GRANTS AND PROJECTS

1. "The Effects of Rigid Fixation on the Growing Craniofacial Skeleton of Primates." Investigators: Paul N. Manson, M.D. and Craig R. Dufresne, M.D. Supported by AO/ASIF (\$87,000).
2. "The Effects of Rigid Fixation on the Growing Craniofacial Skeleton of Rabbits." Investigators: Craig R. Dufresne, M.D., Paul Manson, M.D., Leslie Wong. Supported by Howmedica, Inc. (\$1,000).
3. "Three Dimension Imaging and Computer Simulation of the Craniofacial Skeleton." Grant: DEO 3568, from the National Institute of Dental Research.
4. "Craniofacial Reconstruction with Bone Substitution Using Hydroxyapatite." Investigator: Craig R. Dufresne, M.D. Supported by the Bowles Fund, Children's Hospital (\$1,000).
5. "The Effect of Absorbable Fixation Devices on the Growth and Development of the Growing Craniofacial Skeleton." Supported by Storz, Inc. (\$56,000).

ACADEMIC & NON-ACADEMIC AWARDS, PRESENTATIONS, ACTIVITIES

1. Selected as one of the Best 150 Doctors in Baltimore as judged by peers - Baltimore Magazine, August 1986.
2. Selected as one of the best regional breast surgeons - The Washingtonian, October 1986.
3. Selected as one of the best plastic surgeons in Baltimore as judged by area hospital nurses - Baltimore Magazine, March 1989.
4. Cited in Who's Who in Medical Specialties, 1987.
5. Cited in Who's Who in Rising Young Americans, 1992.
6. Gala Committee for the International Craniofacial Foundation Gala, Washington, D.C., September 1990.
7. Co-Chairman, Government Legislative conference, ASPRS, Washington, DC, July 1991.
8. Consultant to the Plastic Surgery Service at Bethesda Naval Hospital, Bethesda, Maryland, 1991-1992.
9. Program Director, Cleft Lip and Palate, Craniofacial Update - Symposium, Falls Church, Virginia, November 1991.
10. Program Director, Cleft Lip and Palate, Craniofacial Update - Symposium, Falls Church, Virginia, November 1992.
11. Program Director, Cleft Lip and palate Craniofacial Update - Symposium, Falls Church, Virginia, November 1993.
12. Chairman, Government Legislative Conference, ASPRS, Washington, DC, March 1982.
13. Program Director, Current Concepts in Cleft Lip and Palate and Craniofacial Management Symposium, Vienna, Virginia, October 1992.
14. Cited in Two Thousand Notable American Men, American Biological Institute, 1992.
15. Awarded Certificate of Merit and cited in Men of Achievement, 15th Edition, June 1992, Cambridge, England.
16. Faculty Advisor for the Georgetown University Residency Program at Fairfax Hospital, 1992-Present.
17. Awarded "Outstanding Teacher of the Year - 1993" by the Georgetown University Plastic Surgery Residents.
18. Selected as one of the Best Plastic Surgeons in the Washington area –“Top Doctors” The Washingtonian 1986-2008.
19. Program Director, "Craniofacial Update 1993: Surgical and Psychosocial Challenges in the Treatment of Facial Anomalies" Symposium, INOVA Fairfax, Virginia.
20. Cited in The Best Doctors in America 1994-1995. Second Edition, Woodward/White Inc. Publishers, 1994.
21. Fairfax Hospital's 1994 Gala Physician Committee, 1994.
22. Consultant JHU/ISS Project, 1994.
23. Assistant Boy Scout Master, Troop 1449, Washington, DC, 1994-1996.
24. Chairman, Craniomaxillofacial Surgery for the 21st Century: Techniques, Concepts and innovations Symposium, November 1994.
25. Cited in Who's Who in Medical Specialties in 1995 - 1997.

ACADEMIC & NON-ACADEMIC AWARDS, PRESENTATIONS, ACTIVITIES (Continued)

26. Selected for Who's Who in Medicine and HealthCare, First Edition, Marquis Publishers 1996.
27. National Board Medical Advisor, Children's Craniofacial Association (CCA) Dallas, Texas - 1996.
28. Selected for mention in the Cambridge Registry as outstanding professional in the field of Plastic Surgery, 1996.
29. Member of the Craniomaxillofacial Subcommittee of the Scientific Program Committee, ASPRS.
30. Cited in Best Doctors in America, Southeast Region. Woodward/White Inc. Published, 1996-1997.
31. Cited in Best Doctors in America, Fourth Edition. Woodward/White Inc. Publishers, 1998.
32. Consultant to National Institutes of Health - Albright's Disease Project. 1999-2003.
33. Cited in Strathmore's Who's Who, Sixth Edition. 1999 – 2000.
34. Honorary Co-Chairman, Physicians' Presidential Advisory Board and National Leadership Award, October 2002.
35. America's Top Doctors – The Best in American Medicine: America's Top Doctors and Hospitals. Castle Connolly Medical Ltd. 2003, 2004, 2005, 2006, 2007, 2008, 2009, 2010, 2011.
36. Program Co-Director for Symposium on “Aesthetic and Reconstructive Advances in Craniofacial Surgery Principles that Result in Excellence in Form and Function,” April 4-5, 2003.
37. Aesthetic Ideals. Featured in New Beauty magazine 2005.
38. Program Director. Current Perspectives on Plastic Surgery: Point – Counter point by The Experts. Symposium. Sponsored by the INOVA Health System office of Continuing Education. Endorsed by ASPS/PSEF Washington, DC June 3-4, 2006.
39. Awarded Top Community Preceptor. VCU School of Medicine INOVA Campus, June 7, 2006.
40. Cited in Top Plastic Surgeons. Northern Virginia Magazine, TA: Metro Media Marketing, Inc. 2007, 2008, 2009 & 2010.
41. Outstanding Faculty Teacher. Chief Residents Dept. of Plastic Surgery, Georgetown University, 2008.
42. Best Doctors in Washington. Checkbook 2009, 2010.
43. America's Top Doctors- American Registry 2011, 2012, 2013.
44. Top Doctors of Northern Virginia Magazine 2011, 2012.
45. America's Top Surgeons SLD Industries 2011, 2012, 2013.
46. The Washington Post Magazine, Top Doctors 2011.
47. America's Top Doctors, Castle Connolly Section 2011, 2012, 2013.
48. Northern Virginia Magazine Top Doctors 2008, 2009, 2011, 2012, 2013.
49. Super Doctors Washington, D.C., Baltimore, Northern Virginia, 2012

ACADEMIC & NON-ACADEMIC AWARDS, PRESENTATIONS, ACTIVITIES (Continued)

50. American Registry Patients' Choice Award 2008, 2009, 2010, 2011, 2012, 2013.
51. Guide to America's Top Plastic Surgeons, Consumer Research Council of America, 2009-2012
52. Top Doctors, Washington Post Magazine 2009-2012
53. Strathsmore's Whose Who, 2010-2012
54. Super Doctors Pre-eminent Children's Health Doctor's, The Washington Post Magazine, Nov. 18, 2012
55. Bethesda Magazine, Best of Bethesda Awards, 2013.
